

### Three Ways to Pay your Assessment

We are pleased to offer you three ways to pay your annual assessment: (1) Direct Recurring Payment from a Bank Account, (2) Debit or Credit card, or (3) you can continue to pay by Check.

**Direct Recurring Payment Plan/ACH Debit Authorization:** This is the easiest and least expensive way to pay your bill, and your payment is always on time. To sign up, just complete and return the form below, then every year thereafter, your annual assessment payment will be automatically withdrawn from your account 30 days after the invoice date. **You will still receive assessment invoices** which will include a note saying that your payment will be automatically withdrawn from your account; nothing to do! **To sign up to pay the 2019 assessment, return the following completed form before January 15<sup>th</sup>.**

**Credit or Debit Card Payment:** For the months of January-April, you can go to our website at [www.eastmillcreekwater.org](http://www.eastmillcreekwater.org), click on "Payments," then "enter here," and complete the online form using your debit or credit card to pay the current year's assessment. There will be a 3% convenience fee added by the site (to pay for this option) which will be reported on your credit card statement.
